

MaineDOT Virtual Public Involvement Comment Summary

Project Name: Gorham, Mitchell Bridge #0216
WIN: 022238.00
Description: Bridge project examining the replacement of Mitchell Bridge #0216 located on Mitchell Hill Rd. in Gorham.

Date: 07/20/2021
Level of Support: Neutral
Response Requested: Do not send me a response
Topic(s): Construction, Street Closure
Comment: Box option since it is cheaper. Close the road and build away. People can detour.

Date: 07/22/2021
Level of Support: In Favor
Response Requested: Respond to me by e-mail
Topic(s): Safety
Comment: I approve and support MaineDOT's Mitchell Bridge Project. The aspect that I love about MaineDOT's Mitchell Bridge project is that the existing bridge on Mitchell Hill Road will be replaced with one that is safer and up to current design standards.
